FROM: Cynthia Stewart, Airport Manager

RE: 4/12 -- Lane Closure for Asphalt Repair at 7300 Perimeter Road

Airport work crews will be working on minor asphalt pavement repair in the northbound and southbound turning lane at 7300 Perimeter Road tomorrow. Appropriate signage identifying this work will be in place as well as a flag person directing traffic from 0830-1200 hrs.

We hope that the closure will pose minimal inconvenience. Operators of larger vehicles requiring access to Airport Way South may use Portland Street or the north airport entrance during this period. Standard sized vehicles will be able to use this intersection to access Airport Way South.

If you have questions, please contact our receptionist at 206-296-7380.
